

Investing for Success

**Under this agreement for 2019
Cooran State School will receive**

\$55,055*

This funding will be used to

- Improve student reading comprehension, increase number of students achieving Progressive Achievement Tests in Reading (PAT-R) Stanine 5 and above from 60% to 75%
- Lift the performance of top students, increase student achievement in Upper 2 Bands (U2B) in NAPLAN in Years 3 and Year 5. Target: Minimum 50% on all domains.
- Increase and embed staff opportunities for professional development surrounding classroom pedagogy, moderation and data analysis.

Our initiatives include

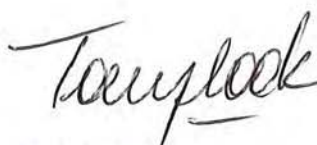

- Continued development and implementation of the Daily Rapid Reading (DRR) support program targeting student needs.
- Continue to utilise the Inquiry Cycle to develop and implement support for students
- Continue the implementation of a formalised student extension program to assist in continued numeracy and literacy development of high achieving students.

Our school will improve student outcomes by

- Provide (Teacher Relief) TRS to enable teachers and leaders to engage in collaborative data inquiry, professional development and classroom visits. (TRS x 7 staff x 4 Terms = \$13 000)
- Increase teacher aide hours to support reading interventions and extension programs (\$20 000)
- Provide targeted resources to support the implementation of extension programs and to meet U2B targets. (\$15 000)
- Provide release time for teaching staff to effectively engage in the Inquiry Cycle to benefit focus students (\$2 055)
- Provide additional resources required to effectively implement focussed programs (\$5 000)

Amanda Pearson
Acting Principal
Cooran State School

Tony Cook
Director-General
Department of Education

* Funding amount estimated on 2018 data. Actual funding will be determined after 2019 enrolment data are finalised. Actual expenditure may be varied due to changes in finalised 2019 enrolment data and student learning needs.
